- Ruben Sabater moving to Ocala, would like to hold position as Vice-President
 - Intends to stay highly involved and make regular MASH meetings
- Today begins the nominations for a new president of MASH. Ruben does not plan to run for President, so he will administer the election
- The election for new President, who will finish the term of 2019, will take place at the summer solstice

BoTY Judging Format Discussion

- You might have noticed, 2019 brought new BoTY judging. Why?
 - Nobody wanted to judge
 - Judging took forever
 - Feedback was often unreliable
 - It stopped being fun to organize
- BoTY judging went from first round format to second round format. The changes came with MASH approval (majority vote) at the start of the year.
- **How are you liking the way BoTY has been run?**
 - Hey you people running for President, maybe a platform to run on, eh?

SLACK

- Matt Crawford wants YOU to join Slack.

Draft (Trash) Beer Competition

- Time and place?
- Format?
- Rules?
- Now's the time to make your thoughts known

teach others, make better beer*

The background is a dark grey chalkboard with various white chalk sketches. On the left, there is a globe showing continents. Above it are some circular diagrams and a ruler. In the center, there are several books stacked. On the right, there is a detailed drawing of a microscope. The overall theme is educational and academic.
